## ADULT DOG PURCHASE CONTRACT

I the buyer have been informed of this dog's feeding habits and diet, and I understand that the training and care of my new dog is now my responsibility. The breeder is not responsible for behavior temperament lack of training or the environment/safety after the dog is signed over to the new owner. I understand that I am responsible for the complete and total health care of this dog from this day forward, without exception. Furthermore, I also understand that at any time in the future I may call the breeder for any further advice he or she may have in regard to any of these matters. I also hereby understand and agree that the dog will be sold with limited registration **unless** otherwise agreed to by the breeder as shown on the AKC paperwork. Limited registration means that the dog, in adulthood, shall not be bred at any time. The dog buyer may switch from limited registration to full registration in the future, per approval from Denver Bernese Mountain Dogs, and a fee of 65% of the original dog cost. If the dog is bred without full registration, dog buyer shall be liable to provide 75% of all gross puppy sales to Denver Bernese Mountain Dogs.

I also agree as a purchaser of this dog, that if at any time I am unable to keep the dog for any reason (moving, financial, death, illness, etc.) I am bound by this agreement to contact Daniel Gibas first and foremost before giving it away, putting it up for adoption, selling it, or placing it in a shelter, and in so contacting Daniel Gibas give him the first rights to take the dog back.

Breeder guarantees that if the AKC papers are not available at the time of purchase they will be forwarded to the new owner as soon as they arrive from the AKC.
